Honorable Lee F. Dover

Dear Dover:

This refers to your telephone conversation of yesterday with a member of my staff, concerning the position of the Department of the Army with respect to Substitute S. B. 45.

I am attaching a copy of a letter from the Department of the Army dated March 4, which indicates that the Army will accept concurrent jurisdiction at Fort Huachuca, and a letter dated March 21, indicating that they are also agreeable to accepting exclusive jurisdiction with a provision for mutually agreeable exceptions.

The Department of the Army, as it appears, is agreeable to either arrangement.

With kindest personal regards, I am,

Yours very sincerely,
